

List of Recognized Certification Bodies and Inspection Authorities 7 August, 2014

for the purpose of equivalence and relevant specifications referred to Article 23a of Organic Farming Ordinance (SR 910.18).

For the purpose of this list, the product categories are designated by the following codes:

- A: Unprocessed plant products
- B: Live animals or unprocessed animal products
- C: Processed agricultural products for use as food ⁽¹⁾
- D: Processed agricultural products for use as feed ⁽¹⁾
- E: Vegetative propagating material and seeds for cultivation

The internet website, where the list of operators subject to the control system can be found, as well as a contact point where information is readily available on their certification status, the product categories concerned, as well as the suspended and decertified operators and products, can be found at the internet address referred to in point 2 for each certification body or inspection authority, unless otherwise specified.

¹ Ingredients have to be certified by a recognized certification body or inspection authority according to Article 23a of Swiss Organic Farming Ordinance (SR 910.18) or produced and certified within the scope of a recognized country according to Article 23 of Swiss Organic Farming Ordinance (SR 910.18) or produced and certified in Switzerland in accordance with the Swiss ordinances on organic farming (SR 910.18 and SR 910.181). Should this not be the case, an application for an individual authorization has to be sent to the FOAG.
